

****GPX Route Disclaimer****

The GPX routes provided on this website are intended as a general guide only. While every effort has been made to ensure their accuracy, routes may be affected by changes in terrain, weather conditions, land access, or other factors beyond our control.

Users are responsible for their own safety and navigation. You should not rely solely on these files when undertaking a walk. Always carry appropriate maps, equipment, and supplies, and ensure you have the necessary skills to navigate in the countryside.

Please take particular care in upland and remote areas, where conditions can change rapidly. Assess your abilities, check weather forecasts, and be prepared to alter your plans if necessary.

By using these GPX files, you acknowledge that you do so at your own risk.
